HOCKEY CANADA SKILLS ACADEMY (HCSA)

Students enrolled in SD#23 and registered in their local Minor Hockey Association have a unique opportunity to participate in a program that allows them to develop and improve their hockey skills and gain course credits. The HCSA's are based on the following principles:

- Strictly supplementary to Minor Hockey
- To provide additional training for minor hockey aged players
- Focus on individual skill development and academic achievement
- Receive instruction from fully qualified Hockey Canada instructors

OKM will offer a one semester HCSA class for students in grades 8. Each student selected into the program will be assisted in the planning of course selection based on individual academic goals. (Students enrolling in the program will receive credit for Physical Education at their grade level). **APPLICATION DEADLINE IS MARCH 9, 2018**

For an application or more program information please visit the website at: www.okmhcsa.weebly.com

HUMAN PERFORMANCE

This course is intended for student athletes engaged in high level training and competition which results in missed school days. This course replaces the High Performance Program. The Human Performance course will provide students with the opportunity to survey various components of health, physical fitness, strength and conditioning, psychology, and leisure pursuits. The course will contribute to the physical, intellectual, human and social development of the student. The overall objective is to allow students to acquire the knowledge, skills, and attitudes that will enable them to enhance their quality of life. The students' physical activity component of PHE is satisfied through their extensive participation in their sport. **APPLICATION DEADLINE IS MARCH 9, 2018**

For an application or more program information please visit the website at: <https://sites.google.com/learn.sd23.bc.ca/okm-phehp/home?authuser=0>

SOCCER ACADEMY

The soccer program is intended to provide students with an opportunity to further enhance their soccer skills and to grow personally both on and off the field. This program will support the Ministry's desire to increase program flexibility for students. An OKM teacher plus one-three certified soccer instructor(s) will be on the field for each session. (Students enrolling in the program will receive credit for physical education at their grade level). **APPLICATION DEADLINE IS MARCH 9, 2018**

For an application or more program information please visit the website at: www.okmsocceracademy.weebly.com

SWIMMING ACADEMY

This program will provide students with the opportunity to pursue their passion for swimming by developing their stroke technique and race strategies. Students will also learn about sports nutrition, mental skills acquisition, and participate in dry land training. (Students enrolling in the program will receive credit for physical education at their grade level). **APPLICATION DEADLINE IS MARCH 9, 2018**
