

Core Competencies Project Plan - Grade 7

NAME:

HOMEROOM TEACHER:

Define each of the competencies in **your own words** below.

Communication	Thinking	Personal/Social

Choose **one** of the three core competencies to focus on in your presentation of learning. Circle below.

Communication

Thinking

Personal/Social

Explain why you have chosen to highlight this competency in your presentation.

How have you grown in this core competency over the course of this year (in and out of school)?

List at least 3 specific examples of when you have used, developed, and or explored this competency (inside or outside of school).

What format could your presentation be in? (poster, slides, etc)

What do you plan to accomplish in the next two work sessions? What materials might you need to bring to be successful?

What materials will you need to bring the day of your presentation?
