

Dear Parents/Guardians,

You may have heard that Football is back at OKM. We continue to build excitement for our program as we gear up for the spring season.

We are inviting all interested athletes to an open skills camp on **Friday May 31<sup>st</sup>** between 12:40 and 3. That's right, this camp will take place on our OKM field during the afternoon. It will be led by our new head coach Johannes van Leenen and several Okanagan Sun players and coaches.

This camp is FREE. No previous Football skills or experience are required. It is a fantastic opportunity to come and experience what this great game is about. As stated on the KMFA website **football teaches physical, social, and mental skills that your child will benefit from in all areas of their lives.**

Here's what your son or daughter will get by attending the OKM camp:

1. 2 hours of top level coaching
2. An opportunity to have fun, learn with friends and get active during the school day
3. Free OKM Football T-shirt **for all participants who register**
4. Free BBQ at 2:30 before afternoon buses

All you have to do is click on the link below and complete the registration form.

Please note that players must pre-register so proper attendance for the afternoon can be recorded.
