All students entering grade 10 must pick the following course:

Students entering grade 10 may also choose to take courses before or after school. These courses are in addition to the 8 in-timetable required courses. **Grade 10's are not allowed spares.**

Review the graduation requirements outlined in the [Grade 10 Course Selection Guide](#) online.

Course requests beyond a student's assigned grade will be given priority to those at that grade level. I.e.: If you pick a Math 11 course, and a Grade 11 student needs a spot, you may be removed from the course and put back into another Grade 10 elective. Please ensure that you pick a Grade 10 alternate elective if you do this.

Information on academies and specialty programs are located on our [Course Selection site](#).

If you would like to select a course that does not appear on the lists presented, or you have already completed a course, please write a note below to your counsellor explaining the situation.
